Please, Please Me!

Thank you for helping us keep our school safe but please, please remember: beyond the school perimeter, when queuing to enter, please maintain social distancing and do not gather in groups.

All parents have a responsibility to do their bit to keep our school community safe.

THANK YOU!

Reception are back full time as of Monday - please remember to label all items of clothing. You do not need to label your child.

Please note: Book bags are for home reading books only. The bags do not need to come in every day. Bring them on:

Fridays with the book inside. They stay in school over the weekend to be changed.

They are taken home on a **Monday** with a new book inside. They should not come back into school until Friday. For the moment, books are only changed once a week and only on a Monday. Thank you.
